

Recently agreed CMA-D-funded projects for which full or part sponsorship would be very welcome.

Regular contributions by Standing Order are particularly helpful. Any amount is appreciated. The following will give you an idea of how far your donation can go:

£5
per month

funds a child's daily meal at one of the eight rural nursery schools we support in Kenya (500 children supported)

£20
per month

feeds a child for a month at the Blind and Handicapped School in Cameroon (60 children supported)

£50
per month

will care for, feed and protect one of the at-risk street kids in our project in Freetown, Sierra Leone (30 children supported)

One off donations help us to do special things – examples below:

£15

funds a mosquito net and repellent in Mozambique - part of the malaria prevention programme CMA-D are sponsoring, aiming to help 3,000 people

£100

will educate/provide vocational training for 1 year for one Syrian refugee living in a refugee camp in Lebanon

£200

will provide a bed with sheets, blankets and mosquito net for one child in Nalondo Special School for Children with Disabilities in Kenya (70 needed)

£600

provides a pit toilet for 100 people in Sierra Leone. These villagers currently use the local bush

£900

repairs a non-functioning borehole in Uganda to enable over 200 people to have access to clean water (with CBM)

£1750

will provide a spring well in Uganda for a poor rural community whose current water points are shared with animals. 2 needed for 2 communities (with CBM)

You can part or full sponsor any of the above – every contribution helps. If the project you select has already been adopted, we'll discuss with you how we could use your donation in a similar way. We can provide updates on your chosen project on request.

All sponsorships are confidential.
